

Benetti
ITALIAN EXCELLENCE SINCE 1873

We like what is beautiful

and we believe that everybody loves what it is beautiful.

That's what we have learnt from Benetti's tradition and therefore, modesty aside,

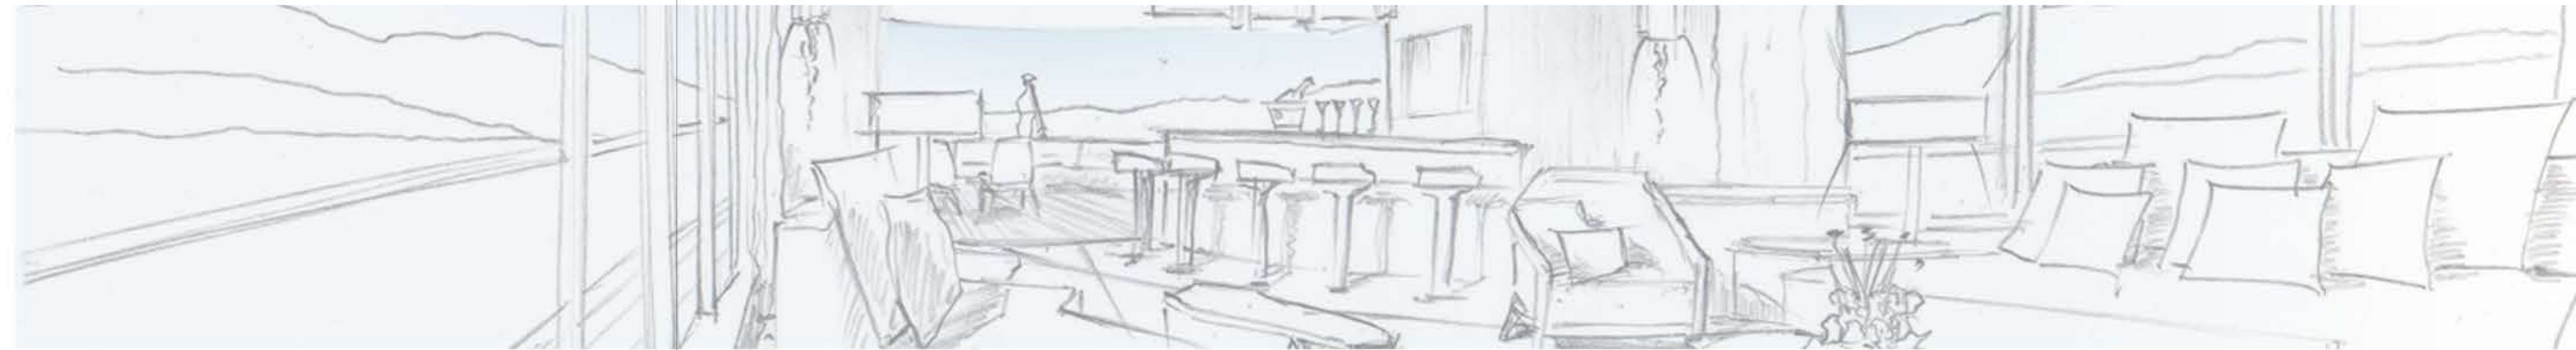

we find it very difficult to make something that is not truly stunning!

We do not wait for an inspiration, we look for it. We look for it inside and outside ourselves, into our country's history, and most importantly, by listening to our clients when we help them build their dream.

Often it is a risk, but we both know that without the risk we would never be able to create something that is truly beautiful, something that has never been created before.

We are aware that creativity takes courage.
